Scholarship Program

2025

Scholarship Season Is Here!

As summer winds down and students head back to campus, we're thrilled to kick off the fourth consecutive year of the **Gary L. Hoffman Scholarship**, proudly offered by PAPA.

Starting September 1, 2025, students enrolled in 4-year colleges, universities, community colleges, trade schools, and similar institutions in programs related to the **Asphalt Industry**, are invited to apply. Last year, the Scholarship Committee awarded six \$2,500 scholarships at the 2025 PAPA Annual Conference—and we're excited to continue the tradition at the 2026 Annual Conference, taking place January 20, 2026, at The Hotel Hershey.

 Help us spread the word! Encourage eligible friends and family to apply before the deadline on November 1, 2025 at 4:00 PM.
